

REAL OUTDOOR ADVENTURES

Team / Pro-Staff Shirt

front

back

The black numbers indicate the position chosen by the sponsor. Positions are first come first serve. This PDF will be updated as they are sold. Updates placed on the ROATV group so check it daily once sales begin.

Demo Design

Your logos will be approximate in size. You will be required to submit a logo approximate to the suggested size so that it will not appear distorted or blurred. Our design team can assist in getting your logo positioned for best results. If you need assistance in graphic design in order to get your logo looking right we can do that as well.

Your logo will appear on the shirt exactly as the final demo image will present. In addition your logos will be placed on our sponsors page on our website and will be used from time to time on our Facebook page in promotions. The Team shirts will be worn at all events in which ROATV staff attend including community events, expo events, fishing tournaments etc. and will be included in video as well.
